*Lois Johnston*

Is delighted to share the platform today with some of her favourite people and to introduce three of her students - Jacob Craw, Shaé Robinet and Henry Wang.

Our wonderful accompanist is Sophia Bidwell, who will be joined in several items by her equally wonderful daughter Alex Bidwell on cello. Jonathan Le Cocq will soothe and calm us with a couple of very beautiful lute solos, and David Evison - a terrific vocal storyteller - will perform a selection of his favourite songs.

All the performers are regular visitors to The Nut Point Centre, and are grateful of the support to the Arts in Christchurch and the wider Canterbury area.
